## Practical examples (A02)

Being able to make A02 applications to movement and performance examples is a critical feature of success in this paper. 19 marks come from A02 on average and you need to be able to make good quality examples to achieve these marks. We recommend the **EIO** method. This means that you:

1. Give your **Example**.
2. State the **Impact** of the concept.
3. State the **Outcome** that it produces.
